No. of days per week	1	2	3	4	5
Cost per term	334	651	912	1216	1520

Fees calculated by totalling number of full day sessions then adding additional mornings or afternoons.

Mid term entries are calculated by dividing the term fee by the total weeks in the term, then multiplying that figure by the remaining weeks.

With two siblings at the nursery together, the younger receives a 10% discount.

Payment of fees is required by the end of the first week of each term. Fees will be reviewed at the beginning of each Autumn term.

Regrettably there are no refunds for days off due to illness or holidays taken within the term times.

The Children's House reserves the right to request the removal of a child if circumstances make it absolutely necessary. If a child is absent for any reason, it is regretted that they will be unable to attend any other session in place of the one missed.

We accept children for a minimum of three sessions a week, as we feel that a smaller frequency of sessions is unsettling for your child. Before your child leaves us to start Primary School, it is recommended they attend all morning sessions or be a full time pupil.

For parents wishing a session for a 3/4 year old with no extra charge we offer five afternoon sessions.

To calculate the charge for the morning and all day sessions, which are longer, deduct the grant from the fees. Please note that the grant amount changes by a small amount each term. For assistance, please contact the office - henrietta@ussher.co.uk 01865 748765
